

National Utilities Company
Routing Guide

Every effort should be made to ship any item to fulfill a National Utilities Company Purchase Order requirement per the Purchase Order terms. This includes shipping GROUND per the following account codes.

Any deviance, including shipping other than GROUND to achieve the required National Utilities Company delivery date should be approved by Purchasing before shipping to National Utilities Company.

If items cannot be shipped via the following carriers, please alert National Utilities Company Purchasing as soon as possible to arrange other means of transportation.

Carrier	Special Notes	Account Code
UPS	Shipments under 150 lbs.	7E0247
UPS Freight	Shipments over 150 lbs	T03280821
